**Subject:** draft Weekly re Parcel G Comments

I'm not sure what else to say about this, but I put this onto the One Drive file:

**Hunters Point Naval Shipyard Comments on Retesting Plan:** The Navy is retesting a part of the Hunters Point Naval Shipyard Superfund site where Tetra Tech EC Inc. potentially falsified radiation data. EPA submitted comments that called upon the Navy to commit to more comprehensive testing. (Lily Lee, 7-4187)
